You have the chance to get your talk recorded

- Have a **look at yourself** after the talk!
- Your talk was great? Share it and show it to your friends.

You fully control the access!
(Initially only you can access it!)

English Only Track

- ❑ We offer an English only track if...
 - At least one non-German native speaker wants to attend the seminar
 - At least four students (in total) agree to do their paper and talk in English

- ❑ The English only track will have separate sessions
 - Probably 1-2 sessions (depending on the number of students)

- ❑ Attendance not mandatory for talks in the “standard” track
 - Students in the “standard” track also don’t have to participate in the English track talks
 - You are still welcome to join the other track’s talks 😊

- ❑ Usually the English track is quite small
 - This means less attendance (if the opportunity to improve your English is not a good enough reason for you...)

- Topics will be presented at the next meeting
 - FI: 19.02.2015 (14#00, room FMI 03.07.023)
 - IITM: 17.04.2015 (14#00, room FMI 03.07.023)
